## **PRESIDENT'S REPORT**

After an inauspicious start, we have managed to deliver another successful season of cricket and I thank all who have been involved, including all of the volunteers at both club and association level. Every season is a massive task for all of our volunteers and I can't thank you enough for the work that you do.

Coming into the last half of the season, we have been in discussions with the Junior Association around work together for our common goal. These discussions may lead to a combined association down the track, but as a first step we are reviewing our own documentation such as By-Laws and Code of Conduct, to see what we may be able to combine. There are certainly a number of aspects of what we both do, that we can work together to achieve and reduce some double up in the process.

Whilst on the subject of volunteers, I feel that it would be remiss of me to not mention that this was Peter Jarick's 20<sup>th</sup> season as Secretary of our Association. Pete is the longest serving Secretary in the 111 year history of our Association.

Thank you to all of our sponsors for your support during the season; The Royal Hotel, Phocas, McDonalds, Kookaburra and the Parkview Hotel. Your support is invaluable to our Association, and helps to keep costs down for our members.

Nobody needs to be reminded of the impact covid-19 has had on this season, with the start of the season delayed by 3 weeks due to the winter covid lockdown. When we did get underway we were faced with a number of restrictions including the unvaccinated being able to participate for the first 5 or 6 weeks. Wet weather played its part early as well, with 3 out of the first 5 weeks affected and a large number of Royal Hotel Cup matches also washed out. We managed to dodge the weather after that though.

Cavaliers performed strongly across the grades, finishing minor premiers in 1<sup>st</sup> Grade, 2<sup>nd</sup> Grade and Centenary Cup, winning their first McCarthy Cup since 2010-11. Congratulations go to Kinross (2<sup>nd</sup> Grade), CYMS (3<sup>rd</sup> Grade) and Cavaliers (Centenary Cup) on winning their respective premierships.

Bathurst club, St Pat's Old Boys won our Bonnor Cup competition as well as the BOIDC 1<sup>st</sup> Grade competition.

We had an interesting season on the representative front. Our Premier League side had its first two matches washed out, and with only 5 teams in this season's competition, that left us only two matches to stake a claim for the final. A comprehensive defeat of Cowra put us in just that position, but we were unable to overcome a strong Dubbo side in the final round, leaving us third again.

This season we entered also entered a team in the Rod Hartas Trophy, which was to be development side for our Association. We struggled to fill the team during the season, however I think by the time we got to our last match the tide was starting to turn on that front, providing some hope for next season. We won that last match to boot.

Hugh Le Lievre and Ed Morrish were our sole representatives in the Central West Wranglers outfit that made it to the finals on the Plan B Regional Bash at the SCG. Hugh was also selected to represent Western Zone at the Country Championships for the second consecutive year and George Cumming was our sole representative in the Zone Colts team. Finally, Katie Letcher was selected in the ACT/NSW Country U/19 womens side and Orange City product, Harry McGregor gained selection in the same for the mens. Congratulations to all.

## Riawena Oval fence upgrade on the cards

27 February 2022 – Central Western Daily

Orange District Cricket Association president Mark Frecklington says proposed upgrades to Riawena Oval would ensure the now-tired ground is reinstated as one of the best venues in the zone.

Behind Wade Park, a venue widely regarded as the best cricket facility in Western Zone, Riawena Oval has long been the second home of cricket in Orange, with the WHG Trimmer Pavilion housing some of the district's most revered memorabilia.

This summer, though, with upgrades at Wade Park lifting the quality of that venue, Riawena is looking increasingly weary, says Mr Frecklington.

Tuesday night's Orange City Council meeting will look at a reallocation of funds originally set aside to upgrade the Spring Hill Recreational Ground. State and Federal funding has meant plans to upgrade that field at Spring Hill will go ahead, but previously council had set aside \$100,000 in its 2021-22 Delivery Operational Plan for the installation of a picket fence at the village's cricket oval.

In a report to be heard at this week's council meeting, it says council considered quotes and selected a contractor for the works at Spring Hill, but the village's Recreation Ground Trust declined council's offer for the construction of the recycled plastic picket fence - the same style and make of fence now at Wade Park - at the ground. "The Spring Hill Recreation Ground is not under the direct control of council and is managed by The Spring Hill Recreation Ground Trust until it transfers to Council's control under the Aboriginal Land Agreement," the report said.

As a result, council is looking for an alternate location to construct the fence, and Mr Frecklington says Riawena is the ideal spot. "Most definitely, we'd love to see a fence there. Upgrades at Riawena have always been on our radar. We heard this was a chance of happening, and it'd be great," he said. "Top it off with some sight screens and it'd be a great little ground again."

The report states Riawena Oval has been selected as an alternative site for the fence as it is "the highest utilised facility and premier turf wicket location after Wade Park".

The ground is used very Saturday throughout summer, with the Orange District Cricket Association scheduling either second grade games or Bathurst-Orange Inter-District Cricket clashes for the venue. While it's often used on Sundays as well, with the Central West Cricket Council using Riawena Oval as the venue for the under 12s grand final over the weekend.

It's also used over school holidays as one of the key venues for the Western NSW Junior Cricket Carnivals. The area is also one of the city's most-used off-leash dog areas.

The report says works can be conducted in conjunction with conduct of cricket fixtures and will not impact on its use for that purpose. The estimated time to construct will be 3 weeks.

## **ROYAL HOTEL BONNOR CUP**

Twelve teams contested the Royal Hotel Cup T20 competition again this season with ORC replacing Molong from 2020-21. We reverted to the 2 pool format, with teams playing 4 of their 5 pool opponents before the top two teams progressed to the semi finals.

For the first time in the 31 year history of the competition, matches were played outside of Orange, with 4 preliminary round matches scheduled for Bathurst.

We had 14 guest players participate across the competition, coming from centres such as Canberra, Cowra, Dubbo, Molong, Mudgee, Parkes and Sydney. That would be the widest range of locations players have travelled from since we first introduced guest players to the competition a number of years ago.

Wet weather played a big part early in the season, with 8 of the 24 preliminary round matches washed out.

St Pat's Old Boys went through the competition undefeated and claimed their 2<sup>nd</sup> Bonnor Cup title.

## St Pat's Old Boys knock off Royal Hotel Cup kings Cavaliers

4 March 2022 – Central Western Daily

Carl Sharpe medalist Nic Broes and damaging wicket-keeper bat Andrew Brown have starred for St Pat's Old Boys on route to one of the biggest grand final wins in 2021-22 Royal Hotel Cup history.

Making the most of a zesty Wade Park deck following the wild storm that lashed the city the previous night, the blue and golds rolled through Cavaliers' top order to have them reeling at 5-36 early on. The maroons limped through the rest of their 20 overs, and Nick Crowley's near-run-a-ball 26 (27 balls) at least lifted the undisputed kings of the Royal Hotel Cup to give them some chance with a total of 9-84.

St Pat's six bowlers all snared wickets, but it was Western Zone stars Broes' (2-13) and Mitch Taylor's (1-9) four over spells that hurt Cavs the most. From there on, it was St Pat's title to lose.

And it was Brown (42 not out from 42) and Broes (34 from 22) that guided St Pat's home to record a commanding nine-wicket win in the final.

The only other nine-wicket win in a Royal Hotel Cup grand final was when Waratahs defeated Orange City in a 40-over game in 2008-09.

Brown was crowned player of the final for his innings with the bat, while he also combined with Broes in the field courtesy of the stumping of Kyle Buckley.

"We were pretty confident. Our bowling set it up. They did all the hard work we were just happy to be there to hit the runs at the end," Brown said post-game. "They bowled too short, Cavs did - it's as simple as that. Our boys really enjoy coming out to Wade Park on a Friday night and tonight we thought anything short we could go hard at and ride our luck, and that's what we did."

Across both the old 40-over format and the Twenty20 revolution, Cavaliers have won 17 Royal Hotel Cups from 19 attempts - it's an enviable record. And when you consider the cup has only been on offer since 1990-91, Cavs' stranglehold on the trophy is even more remarkable.

But that insane winning percentage slipped a little after Friday night's loss, and skipper Bailey Ferguson admits "that hurts, big time".

"But don't get me wrong, they played better than us. They deserve it," Ferguson said, adding he probably would have batted first anyway. "It's one of those things. It's a flip of the coin, but we didn't bat or bowl to our potential."

Broes, once again, took out the Carl Sharpe medal as the player of the tournament - it's the second time the St Pat's gun has earned that individual accolade after averaging 60 throughout St Pat's 2018-19 run at the title.

Consistency was the key for Broes in the game's shortest format this summer - averaging 53 while also taking six wickets, at the extremely miserly rate of four-an-over.

"It's special. You never try and win the individual medals, but it's always nice. There's some great names on here, and to do it twice now is unreal," he said.

Broes admitted the sub-100 total St Pat's had to chase had the potential to be tricky. "But we thought if we can bat the first six hard-ish and get 30 on the board the game is ours," he said. "They had to take 10 wickets. But it was still a tricky total on a sticky wicket, I hear there was some rain about this week.

"They didn't bowl as well as they would have wanted to. But we still had to score the runs and Brown batted really well."

## **SECOND GRADE**

Eight teams contested the Second Grade competition with both Gladstone and Spring Hill moving up from Third Grade after a number of seasons dominating in that grade and Kinross' First X1 and Second X1 sides both playing in the 2nd Grade competition after Kinross chose not to enter the BOIDC First Grade competition.

The competition was played as 45 over one day matches for the entire season.

## Kinross beats Centrals in the ODCA second grade grand final

27 March 2022 – Central Western Daily

Kinross ended a 15-year-run without its top team tasting premiership glory by taking down Centrals in the Orange and District Cricket Association second grade grand final.

After finishing their 45 overs at 6-144, the students were able to bowl the red and blacks out for 117 despite a strong showing early on in the chase.

James Glasson's 38 off 106 deliveries helped Kinross claw their way back into the game after they found themselves 3-40 at the mid point of their innings. "Normally I open, but I came in at four today and it took me a while to get going. I was about 15 balls for no runs at one point," Glasson said. "But then it clicked and I started to feel a bit better about it and just wanted to keep my form going, because it looked a bit dodgy there at one stage."

He and captain Luke Hunter (32 off 35) put together a valuable 58-run partnership before some late hitting by Dudley Shepherd (17 not out) and Harry Priest (10 not out) saw the innings out.

A run-a-ball 20 from Damien Caughlan got Centrals off to a good start before he was run out. Coming in at 2-26, Jake Pauletto (22) looked as though he may swing the game back in favour of the red and blacks. But when he fell to the bowling of Henry Forsyth (3-19), things quickly fell apart. The middle order didn't provide much resistance, and although Matthew Burgess (19) and Stuart Pullar (7 not out) showed some fight, the last wicket stand was eventually broken by Jonothan Rasmussen (3-19) and the students were able to celebrate.

"We just tried to keep the consistency up and not change a thing from what we've done all season and we knew we could do it," Forsyth said. "We had a strong team this year and a strong bowling team. The help of Dave Hunter has been absolutely phenomenal and without him I don't know what we'd do."

The 27-run win was the first time the Kinross First XI team had won a title since 2007.

## CYMS beat Orange City in ODCA third grade grand final

27 March 2022 – Central Western Daily

Four wickets, 56 runs and a stumping to boot; Adam Smith had himself a day to remember as CYMS edged out a six run win in the Orange and District Cricket Association third grade grand final.

Taking on Orange City at Riawena Oval, the green and golds needed to restrict the Warriors to less than nine runs in the final over to take home the win. Up stepped Smith who conceded just the three singles and picked up three wickets in four balls to guide his side home.

"Pure elation" is how CYMS captain Ben McNiven described the moment they clinched the match. "That's the second cricket grand final I've been in and the first one I've won and it couldn't have been done with a better bunch of guys."

CYMS lost the toss and were sent into bat, although McNiven said this worked out in their favour as he wanted the green and golds to put runs on the board. "The scoreboard pressure definitely came through in the end," he added. "We were lucky to get a roll on with some wickets after drinks and that turned the game for us."

The loss of an early CYMS wicket saw Louis Lockwood (30) come to the crease and he immediately got to work, but a few quick dismissals saw the minor premiers fall to 5-57. That brought Smith (56) and McNiven (30) to the crease and they would put on a game-changing 86 run partnership.

"I'd set it up so hopefully Smithy and I would bat together," McNiven said on their big partnership. "He's been a pretty good influence on me when I've been out there with him. He knows the game inside and out and is definitely a big help for me." Some lower-order hitting by AJ McNiven (17) helped CYMS amass 163 before being bowled out in the 37th over in large part thanks to a stellar performance with the ball by Hayden Griffith (5-23).

In reply, City got off to a good start thanks to Matt Fyfe (24) and Hamish Blair (58) who put on 61 for the opening stand. After George Eleftheriou (2-23) bagged a pair of wickets, Adam Cowden came to the crease at 2-76.

He looked to have turned the game in favour of the Warriors thanks to a near run-a-ball 25. But when Luke Van Der Westhuis picked up the wickets of Cowden and captain Michael Evans in back-to-back overs, the tide once again swung in the favour of the green and golds.

Player of The Match – Adam Smith

With Smith going for a little more than three runs an over, the required run rate kept climbing and City would finish their innings 9-157, seven runs short of victory.

"We knew we were in for a match," McNiven added. "The chat at drinks was just about restricting their scoring. We wanted to put the pressure on them to score the runs and once we started to do that, a few cracks started to open up in their batting."

## Cavaliers win Centenary Cup

29 March 2022 – Central Western Daily

To have a side at 5/9 after four overs is an incredible bowling effort in any match. It's even bigger in a grand final and that's exactly what Cavaliers did on Saturday in the Centenary Cup.

Coming into the fixture, Cavaliers were in hot form off the back of a 55-run win over CYMS while their opponents, Orange City, had a close loss to Kinross in the previous round. Momentum paid dividends for Cavaliers as Cooper Pullen, Toby Peterson and Oliver Jarick ripped through the top order.

Oliver Brincat (10) and Isaac Clarke (14) were the highest-scorers for City, helping their side to a somewhat defendable target of 54. Pullen (4/5) was the pick of the bowlers with Jarick extremely economical and dangerous, securing figures of 2/3 from five overs.

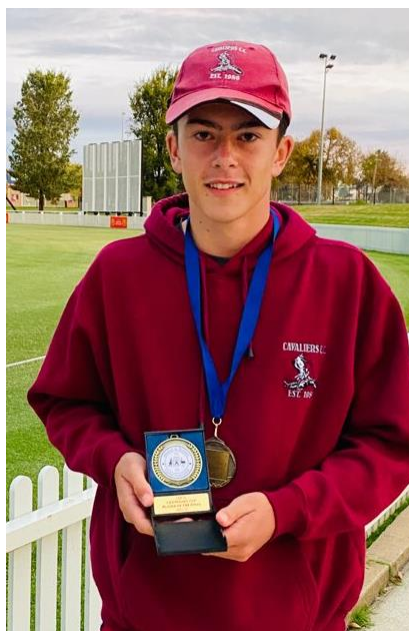

In return, Clarke managed to grab an early wicket for his side with Cavaliers 1/3. However, the confidence oozing from a strong Cavaliers side proved too much with Pullen (23\*) and Ben Taylor (25\*) bringing their side home to win by nine wickets in a truly dominant grand final performance.

Cavaliers coach Pete Jarick said such a dominant result was unexpected. "Going into the match we thought it'd be a tough day because Orange City and Cavaliers have been the two best teams for the year and there hasn't been much in it between either of us," he said. "We thought if we keep them below 150 we'll probably be pretty happy but to have the boys knock over the first two cheap was a pretty good start for us.

"The team was pretty happy once we won. You still have to get the 54 - it's still tense because anything can happen in Centenary Cup - it all comes down to having a plan and bowling at the stumps. "That was our plan - to hit the timber - and it paid off."

Jarick also made special mention of two of the day's best performers for both sides. "Cooper (Pullen) steams in pretty well for a youngster, he'll probably go places," he said. "Young Morty Hamling from Orange City finished six not out off 52 balls and did a great job to stabilise the innings. "He didn't score many runs but hung around and looked solid."

Saturday's win also marked two victorious grand finals in a row for Cavaliers in Centenary Cup.

PLAYER OF THE MATCH: Cooper Pullen

## Hugh Le Lievre hopes to see Orange's best cricketers play for bluebaggers

26 August 2021 – Central Western Daily

As the new captain of Orange's representative cricket side, Hugh Le Lievre doesn't have any ground-breaking plans to change the culture of the organisation.

All he asks is that the town's best players roll up to pre-season training.

While the bluebaggers were brave during a largely unsuccessful summer on the rep stage, they suffered massively from lack of players.

This has been the tale of the team in recent times as squads like Bathurst and Dubbo have continued to out-perform Orange, not necessarily due to a better talent pool, but a larger portion of that talent choosing to play rep cricket.

In 2021-22, Le Lievre hopes that will change.

"I want to have a really strong and unified Orange team," he said.

"We've chronically under-achieved at the rep level in the last decade, and one of the biggest struggles has been getting people interested.

"My vision is to get the best players in Orange wanting to play."

Last summer was undoubtedly tough for a very raw Orange side, but one thing it did was allowed the young players to be baptised by fire.

"I really saw the development of players like Blake Weymouth and Harry McGregor," he said.

"I'm not sure what their intentions are this season but they were really good... Jarryd Seib also did very well towards the back end of the season."

McGregor and Weymouth were poised to spend at least one season outside of Orange, but COVID-19 restrictions might force them to remain in the Central West region.

As for Le Lievre, he had a successful BOIDC season captaining CYMS, and was recognised by his peers as well as the ODCA, receiving Orange's cricketer of the year award.

Although it's a special accolade, he doesn't plan to bring anything too fancy to the captaincy role. "I'm not going to be bringing any grand ideas to the table," he said.

"I want to try to support my teammates, and I'm very pick on picking players who each have a specific role on the team. "Hopefully under my leadership, we can have the best players in Orange playing on the one team."

Frank Weymouth coached the team last season, but it's unclear whether or not he'll return to the role again.

## REPRESENTATIVE CRICKET - Opens

Orange's opens representative team had another rain affected campaign, with rain preventing a result in the first two matches. After a bonus point victory against Cowra in round 3, we needed to beat Dubbo to secure a place in the final, but Dubbo proved too strong.

## REPRESENTATIVE CRICKET – 2<sup>nd</sup> X1

Orange entered a side in the Rod Hartas Trophy for the first time in the history of the competition. The Trophy has traditionally been for the smaller Associations within Central West, but in recent seasons the larger centres of Bathurst and Orange have been permitted to include a side.

We struggled to fill a team at various times during the season, which resulted in forfeiting our away match to Mudgee. The team however finished the season on a high note with victory over Blue Mountains in the final round.

### Results

## Cam Rasmussen will captain Orange's Rod Hartas Trophy team

14 November 2021 – Central Western Daily

When Cam Rasmussen was approached by selectors a few months ago about captaining this year's Rod Hartas Trophy team, it didn't take him long to accept the job. He was told there were plans to select what could be classed as a more developmental side.

Having coached Kinross junior teams these past few years, the idea was something the Centrals star was certainly on board with. "I've been able to get a glimpse of what players from different clubs are able to show with their ability and personally, I've been quite amazed with the talent that's coming up," he said.

"A few of the names that have been selected I have been able to personally coach. Kids like Johnty French, to be able to step up and represent Orange is a tremendous privilege for any player to get to that stage."

The Orange side was meant to take on Gulgong at Riawena Oval on Sunday, but a wet and wild few days prior brought an end to the round one clash before it could even get going.

Among those selected for the washed out game was Orange City second grade fast bowler Campbell Warburton. "He's up and coming in the ranks and watching him from the juniors coming up has been an absolute privilege," Rasmussen added.

"I'm really looking forward to seeing how he progresses in the next few years, for his club and also for Orange, I think he's going to be an absolute standout and I'm looking forward to seeing what he does."

But just because the development of players is a key goal, doesn't mean they aren't out to beat the competition.

"I believe if we can keep the core 12 for most of the season that we will be gelling quite well and we should be able to play the best cricket and bring the best out of each other as a whole," the captain added.

"It should be a good privilege to go out to places like the Blue Mountains, Lithgow and Mudgee as well to take them on at their home grounds and show what Orange is truly made of."

As for inspiration, Rasmussen remembers something Frank Weymouth told the team before the start of last season. "Frank said, and he said it brilliantly and what motivated me to play the best cricket I could was 'we're not Cavaliers, we're not Orange City, we're not Kinross, we're not Centrals, we're not CYMS, we're Orange and we're here as the best playing XII representing Orange to take on those other sides'," Rasmussen said.

"We want to bring the best out of Orange and bring it back to its former glory as a strong cricket powerholder."

## REPRESENTATIVE CRICKET – Colts

We struggled to field a full team as injuries, covid and a later HSC had an impact on player availabilities. The boys enjoyed their weekend in Dubbo at the Western Zone Colts carnival even though we came away winless. Following the carnival, George Cumming was our sole representative selected in the Western Zone Colts team.

It appears the writing may be on the wall for this carnival, as Western Zone are currently considering a different direction for next season

### Results

Round 2	120	lost to Chairmans X19-194		by 74 runs	at Victoria Park No 3, Dubbo
